Dear Sir:

**Re: Proposed Incorporation of The Association of Romanian  
Engineers in Canada**

I thank you for your e-mail of September 12<sup>th</sup> last, regarding your request that the Association consent to use the above-referenced company name, pursuant to the Ontario Business Corporations Act.

I have reviewed the Association's objects and note that one of the objects is to "help with professional advice and direction towards PEO certification and employment". In addition, you informed me that it is not the intention of the Association to offer or provide professional engineering services to the public in Ontario or to certify or licence engineers in any way. You also informed me that any changes in the services the Association intends to perform will be communicated to PEO.

On that understanding, the Association hereby consents to the incorporation of **The Association of Romanian Engineers in Canada** to the Ontario Business Corporations Act.

If you require any further assistance, please do not hesitate to contact me at (416) 224-9528 or 1-800-339-3716, Ext. 497.

Yours very truly,

Eric Newton
